BAKERY & DESSERTS

Welcome to our *Foodservice Range*

At Sara Lee we take great pride in our product quality and consistency. We bake fresh every day using only the finest ingredients then snap freeze to seal in the maximum level of freshness and nutritional value. We use fresh ingredients wherever possible, including fresh eggs and fresh cream.

Delicious recipes are guaranteed with the expertise of our dedicated team of pastry chefs. Our products contain no added artificial colours, flavours and preservatives wherever possible. We believe we have the best range of delicious cakes, mouthwatering desserts and savoury delights!

Just try them for yourself and see...

At Sara Lee we understand that each year more product information is required by chefs and catering managers for effective menu planning and ordering of food. We know that having quick and easy access to this information is really important.

Product specification information is available on our website to be printed or downloaded quickly and effectively in a concise, one page document. In addition, you can find other useful resources on our website including product images, serving suggestions and product brochures that can all be downloaded for your convenience.

Croissants

Sara Lee uses 100% real butter and high quality raw ingredients sourced from Australia where possible, to yield our expertly crafted croissant range. Committed to consistency and quality, Sara Lee croissants are simply made from flour, un-salted butter, sugar, milk powder and yeast; free from artificial colours, flavours and preservatives. Our croissant pastry is gently folded, layer upon layer in a process known as lamination resulting in a light, flaky texture and a rich buttery taste. With over 40 years of experience in pastry-making our expert chefs have mastered a premium range of fully baked croissants.

With a beautiful crescent-shaped and delicious croissant, a boring sandwich is becoming a thing of the past. Served with a filling of your choice, a croissant works beautifully on a buffet table or sandwich counter and elevates the concept of sandwich to a whole new sophisticated level.

Fully baked, Sara Lee croissants are ready-to-go, all in a convenient thaw-and-serve format. Upgrade your sandwich menu with Sara Lee croissants.

Store at or below -18°C.

Individually Wrapped Muffins

Moist, soft, packed with real ingredients and delicious – that is a Sara Lee Muffin! We use a recipe Australians know and love, with MORE real ingredients for great taste and texture. We use real blueberries, apples, bananas, oranges, Australian flour, sugar, eggs and oats, and of course we use real chocolate to create what we believe to be the best tasting muffins. Baked fresh, then snap-frozen to capture that just baked moment, our individually wrapped muffins are ideal for those on-the-go. All products in the range are manufactured with a Julian code on the individual wrapper for traceability.

Store at or below -18°C.

Partnering with McCain enables access to the premium portfolio of locally produced McCain products, as well as the support of a global leader in frozen foods, and the confidence in a global supply network.

Whether you're looking to retain loyal customers, make your menu stand out in a crowd or improve your back-of-house operations, we'll guide you in choosing the right mix of products to support your business ambitions.

We're a local manufacturer with a strong presence across Australia and New Zealand. We provide quality local field support as well as other valued-added support and services. Above all, we are specialists in potato products.

Our reputation is built on quality and continuous research. And while we have six manufacturing facilities across Australia and New Zealand, our global connections allow us to draw on innovation from around the world.

Contact us or speak to your local McCain representative to partner today.
