Committed to consistency and quality, Sara Lee croissants are simply made from flour, un-salted butter, sugar, milk powder and yeast; free from artificial colours, flavours and preservatives. Our croissant pastry is gently folded, layer upon layer in a process known as lamination resulting in a light, flaky texture and a rich buttery taste. With over 40 years of experience in pastry-making our expert chefs have mastered a premium range of fully baked croissants.

With a beautiful crescent-shaped and delicious croissant, a boring sandwich is becoming a thing of the past. Served with a filling of your choice, a croissant works beautifully on a buffet table or sandwich counter and elevates the concept of sandwich to a whole new sophisticated level.
